

Villach Main Station Access to vehicle loading bay 2

On December 9, 2023, the previous vehicle loading point in Villach Hauptbahnhof (Zeidler von Görtz Straße / platform 1) will be closed.

From December 10, 2023, cars and motorcycles will be loaded **exclusively via loading point 2** ("Verladestelle 2" / ÖBB Terminal 2) at

Udinestraße 4, 9500 Villach.

Loading point 2 is located about 1.2 kilometers east of the main train station and can be reached according to the map below.

A **shuttle bus service to the main station** is available for customers of the ÖBB Villach - Feldkirch car train. The shuttle bus will take you from loading point 2 directly to the station once the loading work has been completed.

Please note:

Please note the "**date difference**" between the loading time and departure time when booking the ticket and traveling to the loading point. Please check the travel dates on your ticket!

Example:

- **Loading time EN 40414 at 21:30***: Please make sure your vehicle is at this time.
- **Departure EN 40414 from Villach Main Station at 00:13***

** Changes are possible. The times printed on your ticket apply.*
